

Project based learning P6

Project topic:

To design and build a rollercoaster

Helpful hints:

- Information about rollercoasters

https://kids.kiddle.co/Roller_coaster#:~:text=Today%2C%20there%20are%20two%20main,instead%20of%20above%20the%20rails.

Tasks to be completed:

- Design a company name and logo
- Research different types of rollercoasters (wooden, steel etc).
- Design rollercoaster to meet criteria (both paper and computer design).
- Build a working rollercoaster model using a marble which meets all specified criteria.
- Create an advertisement for your rollercoaster.
