### READING

#### Poetry Task

Listen to a poem on:

<https://childrens.poetryarchive.org/>

Write down:

- What did you like/dislike about the poem?
- Any connections you can make to your own life?
- Puzzles- anything that confused you?
- Did you notice any good techniques used by the author to make the poem engaging for the reader?

\*Challenge- record yourself reciting the poem. Have a go at writing your own with the same title but your own words!\*

### SPELLING:

Can you log onto Nessy Spelling and work on your individual targets?

Now write out these spelling words using bubble writing or create your own word search using the words and get an adult to find them!

Heard, stopped, adventure, skipping, suddenly, tighter, enough, sandwiches, respectful, frightened

### WRITING:

Write a diary entry for 1 day in the life of Harry Potter.

Remember:

- It should be in past tense
- To write in first person
- To add in feelings/thoughts
- To write it in an "informal" style

<b>NUMERACY – TIMES TABLES:</b> Go on to Topmarks Maths – Hit the Button and practice any times tables you find tricky! Do this for at least 15 minutes. See if you can beat your scores!	<b>NUMERACY – SUBTRACTION:</b> Play “Roll and Subtract”. Roll a dice to create a 3,4 or 5 digit number. Then repeat. Subtract the smaller number from the larger number. Do this at least 5 times.	<b>ICT</b> Coding Challenge Go to <a href="https://code.org/learn">https://code.org/learn</a>  Choose a coding activity to complete.
