

I am going to nursery.

My nursery is called Riverside Nursery.

When I arrive at nursery, I will take my coat and bag off and hang it up on my peg.

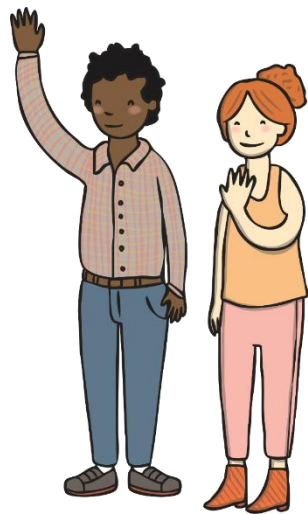

I will collect my nametag and stick it up.

Next, it is time to say goodbye to my grown up.

They will come back to collect me in a few hours. I might feel sad and the Nursery Staff will help me.

This is OK.

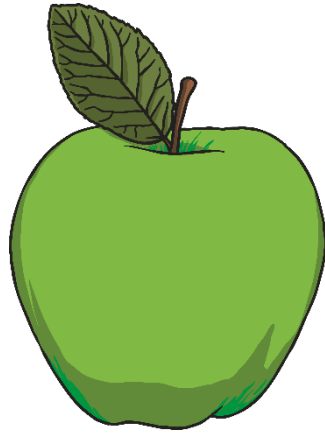

At nursery I can:

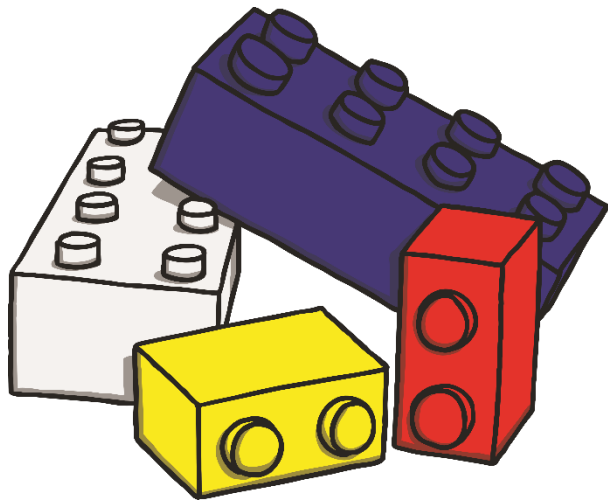

Join in at group time,

eat snacks,

make things,

paint a picture,

play outdoors,

sing songs

play with other children

and listen to stories

When it is time to go home my grown up's
collect me.

I will check my tray, put on my coat and collect my bags.
