

# Riverside Primary School

## School Closure due to Weather ~ Friday 24 January 2025 ~ Learning Information

### WEBSITE RESOURCES

Please visit the Home Learning Hub & Class Info/Home Learning Resources page of our school website for learning resources. ([www.riversideprimaryschool.co.uk/home-learning-resources](http://www.riversideprimaryschool.co.uk/home-learning-resources))

Here you will find a range of activities to support your child's learning from home.

### TOP TIPS FOR PARENTS/CARERS

#### Tips for supporting Home Learning

##### - Routines:

Create a routine to follow that fits around your family schedule and try to stick to it.

##### - Realistic Expectations:

Remote learning may not replicate the work that is completed across a normal school day. So remember to focus on what is achievable for your child at home and prioritise tasks.

##### - Home School Environment:

You are not expected to replicate the classroom environment. However, children should have a quiet and comfortable space to complete their remote learning tasks.

##### - Parental Encouragement:

Encourage your child to work through their tasks without completing their tasks for them.

##### - Play, Breaks and Rest:

Make sure to incorporate time throughout the day for play and rest. This is very important for reducing screen time and promoting health and wellbeing. During breaks children should be encouraged to go outside for some fresh air.
