

Ionnsachadh Dachaigh Clas 7G – Cliath 1 (Primary 7G Home Learning Grid 1)

Please use this grid if you are absent from school and well enough to complete some work. Tasks in **GREEN** are **SHOULD DO** activities and tasks in **BLUE** are **COULD DO ACTIVITIES**. We recommend completing about 2-3 tasks per day in Gaelic or English which ever suits your home setting and support. ☺

<p style="text-align: center;">READING:</p> <p>Read a book or a chapter of a book of your choice. Answer these reflective reading questions about the book:</p> <ol style="list-style-type: none"> 1) Who are the key/main characters in this book? Name them and give a brief overview of each. (Are they a dad, a scientist, sister, etc.? Tell a bit about their personality) 2) Explain how the author makes you want to continue reading his/her story. 3) Compare this text to another book you've read recently. What does this author do well? What did you like about the other author's writing? 	<p style="text-align: center;">SPELLING:</p> <p>Can you write each spelling word three times? Can you choose 5 to write a definition of?</p> <p><u>Beurla:</u> allowed, believe, brought, caught, centre, chocolate, different, everywhere, excited, hospital, having</p> <p><u>Gàdhlig:</u> geamannan, sgrìobhadair, a' sguabadh, sgudail, craiceann, a' creidsinn, creutairean, choimhead, cridheil, chuimhnich</p>	<p style="text-align: center;">WRITING:</p> <p>Visit: https://www.pobble365.com/the-king-of-winter/</p> <p>Complete at least 2 of the Pobble activities, and then continue the story starter.</p> <p>Remember:</p> <ul style="list-style-type: none"> • Vocabulary (WOW words) • Connectives (then, but, however) • Openers (One day, At first, Far away) • Punctuation (full stops, question marks) <p>As well as paragraphs, characterisation, and setting description.</p>
<p style="text-align: center;">Numeracy – Times Tables</p> <p>Choose 3 of the times tables you find the trickiest and practice chanting them. Then get an adult to ask you 10 questions on each of the times tables (not in order) and time yourself answering them.</p> <p>Try this a few times and see if you can get faster.</p>	<p style="text-align: center;">Numeracy – Place Value</p> <p>Can you write down each of these numbers in words?</p> <ol style="list-style-type: none"> 1) 3451 2) 56,702 3) 1,221,301 4) 234,561 5) 345,451 	<p style="text-align: center;">Topic</p> <p>Think about something you have found difficult in the past which you now find easy. Then, using the internet, look for a picture of a 'learning pit'</p> <p>Draw a learning pit for your journey where you draw yourself at the start of the learning journey, yourself in the learning pit where you were finding the task difficult, and then draw yourself climbing out of the learning pit using strategies to help you learn. Finally, draw yourself at the other side of the learning pit having successfully learned and completed your task.</p>
